PREAMBLE

Pursuant to the provisions of Chapter 9A, Revised Statutes of Maine, Title 26, as enacted by the Maine Legislature in 1969 and as amended, entitled "An Act Establishing the Municipal Public Employees Labor Relations Law", this Agreement is made and entered into by and between the Town of York, Maine, and the York Police Benevolent Association.

In order to establish mutual rights, preserve proper employee morale, and to promote effective municipal operation, the Town of York, Maine, and the York Police Benevolent Association herein bind themselves in mutual agreement as follows:

ARTICLE 1 - RECOGNITION AND NONDISCRIMINATION

The Town hereby recognizes that the Association is the sole and exclusive bargaining representative of all Patrol Officers and Sergeants in the York Police Department for the purposes of bargaining for hours of work, wages, working conditions, and all other terms and conditions of employment. The Police Chief, Captain, Lieutenants, Administrative Staff and Janitorial help are herewith excluded from this contract.

Section 1

The exclusive bargaining rights set forth in the previous paragraph include, among other things, the responsibility of the Association to:

- a) Extend to all patrol officers of the department, whether they are members of the Association or not, the benefits of any contract arrived at through the process of collective bargaining.
- b) Practice non discrimination against non Association employees, and
- c) Process upon request of a non-Association employee any grievance presented by such non-Association employee upon payment of appropriate fee, but such employee may take up his own grievance with the Town provided the Association is notified and is allowed to be present to protect their rights under said contract.
- d) Practice no discrimination, interference, restraint coercion, nor fail to fulfill obligations as bargaining agent toward any supervisory employee, which it represents as a result of his enforcement of the provisions of this Agreement.

Section 2

The Town and the Association agree not to discriminate against any individual with respect to hiring, compensation, terms or conditions of employment because of such individual's race, color, religion, sex, national origin, age (between the ages of 40 and 70), or condition of handicap, except where based on a bona fide occupational qualification, nor will they limit, segregate or classify employees in any way to deprive any individual employee of employment opportunities because of race, color, religion, sex, national origin, age (between the ages of 40 and 70), or condition of handicap, except where based on a bona fide occupational qualification.

The use of male or female gender of nouns or pronouns is not intended to describe any specific employee or group of employees but is intended to refer to all employees in job classifications, regardless of sex.

ARTICLE 2 - DUES DEDUCTION AND MAINTENANCE OF MEMBERSHIP

The Town shall deduct regular weekly dues upon receipt of signed authorization from members (a copy of which is to be retained by the Town) and a certified statement from the Treasurer of the local unit as to the amount for dues. All such forms shall be supplied by the Association and be satisfactory to the Town. The Town shall forward all such dues so collected to the Treasurer by the 10th of each month succeeding the month in which the deductions were made. The Association shall indemnify and save the Town harmless against all claims and suits that may arise by reason of any action taken in making deductions of said dues and remitting the same to the Association pursuant to this Article.

All present employees who authorize dues deduction to the Association shall, as a condition of employment, remain members of the Association in good standing during the life of this Agreement. All future employees shall have the option to join said Association after being employed for one (1) year.

On signifying their intent to become members of the Association, their membership must be maintained in good standing during the period of this contract.

Authorizations for such deductions shall be irrevocable for the period of this contract, shall be automatically renewed for such similar periods unless revoked by written notice to the Town and to the Association fifteen (15) days prior to the expiration of this Agreement or any extension thereof.

ARTICLE 3 - MANAGEMENT RIGHTS AND DEPARTMENTAL RULES

The Town retains all rights and authority to manage and direct its employees, and department operations except as otherwise specifically provided in this Agreement. The Association acknowledges the right of the Town to make such rules and regulations governing the conduct of its employees as are not specifically inconsistent with the provisions of this Agreement.

ARTICLE 4 - PROBATION PERIOD AND ASSOCIATION LIST

All new employees shall serve a probation period of one (1) year. The probation period shall begin on the day of graduation from the MCJA; or, upon waiver and certification by the MCJA; or, if Maine certified, one year from date of hire. Employees shall have no seniority rights during this period but shall be subject to all other clauses of this Agreement. All employees who have worked said probationary period shall be known as regular employees and effective as of the date of this contract, the probationary period shall be considered part of the seniority time, providing however, the Town shall have the right to terminate without compliance with the terms of this Agreement, the employment of such new employees during the probationary period.

Employees appointed to the position of Sergeant shall also serve a one year probationary period except that a Patrol Officer promoted from within shall not lose seniority rights and may be returned to his former position without hearing if found unsatisfactory.

ASSOCIATION LIST:

Although the position's regular hours will often coincide with departmental shifts, the schedule may be varied as deemed necessary, according to the requirements of the position by the employees or as specified by the Police Chief

Upon the death of a unit member, one hundred percent (100%) of accumulated sick leave will be paid to the widow or widower, if any, or if none, then to the guardian of the minor children, or to any other designated beneficiary.

Leaves lasting more than eight (8) weeks will require the employee to reimburse the Town for the insurance costs for the remainder of the time. Vacation and sick leave will not accrue during time beyond eight (8) weeks. Upon return an employee shall be reinstated to the previously held position and shall retain the same status, rights and benefits.

ARTICLE 14 - ON THE JOB INJURIES & LAW OFFICER LIABILITY INSURANCE

Employees who are covered by this Agreement and who are injured on the job shall receive in addition to compensation paid or payable under the Worker's Compensation Act, an amount sufficient to bring them up to full net wages while any incapacity exists and until they are either placed on disability retirement or return to active duty, providing the officer was not acting in a negligent manner or in violation of any department rule. This clause shall cover employees called into duty on off-duty time. Absence because of such injuries shall not be charged to accumulated sick leave.

POLICE LIABILITY INSURANCE - Due to the current difficulties in the Casualty Insurance Industry, the Town of York will continue to provide the current one-half million (\$500,000) dollar police liability coverage for Police Officers. The Town of York agrees to indemnify police officers for claims and suits which arise which exceed the liability limits of the police liability policy provided that there is no willful negligence on behalf of the officers who are sued or against whom litigation is filed. In addition, the Town agrees to pursue the purchase of a one million (\$1,000,000) dollar police liability insurance package at such time as premiums stabilize or come back to more reasonable and affordable premium rates.

- C. The Town shall adopt a section 125 (cafeteria or flexible benefits plan) for the purpose of providing health insurance and related benefits described in this Article, and all such benefits shall be provided pursuant to that plan. Effective January 1, 2004 the Town will contribute \$400 annually to this plan for each employee. The \$400 will accumulate monthly on a calendar year basis. Benefits will not be paid in advance of accrual unless a written document is provided stating the employee will reimburse the Town should they leave without accumulating the dollar benefit paid.
- D. Payment in lieu: A Police Officer may choose to get their health insurance through their spouse. Police Officers who do not receive health insurance through the Town will be paid 50% of the premium, less life insurance that they would otherwise be eligible for. This payment will be made on a fiscal year basis in two installments, the first on or about January 1st and the second on or about July 1st for each of the previous six months. To be eligible for this benefit the recipient must show proof, satisfactory to the Town that they have health insurance from another source. The cost of this study shall be split equally between the Town and the York Police Benevolent Association.

ARTICLE 17 - CLOTHING ALLOWANCE

After the first year of employment, the Town agrees to fund a clothing allowance of six hundred dollars (\$600) per year per officer for the acquisition and replacement of uniform and accouterments on an "as needed" basis. Acquisitions and replacement of clothing and accouterments for the purpose of this Article shall be with the approval of the Chief of Police. Plain clothes shall be included in this Article, if damaged in the line of duty.

In December of 2007 of this Agreement, each employee may draw a maximum of two hundred and fifty dollars (\$250) or the balance in the individual accounts, whichever is less, in a flat one-time payment from the clothing allowance account provided that there is two hundred and fifty dollars (\$ 250) remaining in the employee's account.

In the second and third years of the Contract, the clothing allowance shall be increased from \$600 per year per officer to eight hundred dollars (\$800) per year per officer. In the second and third years of the Contract, the maximum amount that each officer may draw in a flat one-time payment from their clothing account shall be increased to a maximum of \$400 (or the balance in the account, whichever is less) starting in December of 2008, provided that there is \$400 remaining in the employee's account

ARTICLE 19 - ASSOCIATION ACTIVITIES ON TOWN PREMISES

The Town agrees that during work hours on the Town's premises and without loss of pay, providing it does not impair any hardship on the employer and is done within a period of time that will not infringe upon the employee's duties and responsibilities to the Town, Association Officers shall be allowed to:

ARTICLE 29 - POLICE PROFESSIONAL PLAN

The Police Professional Plan recognizes that Police Officers today face many challenges and to meet these challenges they must be well educated, properly trained and physically fit. The Police Professional Plan is designed to reward Officers who meet or exceed certain standards.

The Professional Plan is divided into three sections, Emergency Medical Technician (EMT), Physical Agility and Education/Training. Police Officers may qualify for the incentive in one section but not in another.

Emergency Medical Technician - To qualify for the EMT section of the Professional Plan, employees must be State certified as EMT's. The Town will pay the cost of employee attendance at certification and recertification training. Employees hired before 1/1/97 that allow their certification to expire will be responsible for the full cost of certification if they choose to become an EMT again. Employees hired after 1/1/97 are required to be EMT certified as a condition of employment.

Physical Agility - To qualify for the physical agility section of the Professional Plan, employees must complete an annual physical agility test in the spring of each year. The test shall be in compliance with the entry-level standards of the Maine Criminal Justice Academy. The testing process shall be rated and scored by gender and age as prescribed by the Academy. All employees hired after 4/1/00 shall be required to comply with this standard as a condition of employment. New hires passing MCJA standards do qualify for physical agility pay. Employees may not smoke or otherwise use tobacco products as of this contract. Employees who successfully complete the annual departmental physical agility test shall be credited with 30 hours of compensatory time.

Training - To qualify for the Education/Training section of the Professional Plan, employees must successfully complete forty hours annually of training. All training must be approved by the Chief of Police.

Education - To qualify for the Education/Training section of the Professional Plan, employees must have earned at least an associates degree with the following exception: Employees with at least two years active military service or thirty college credits towards an associate degree shall be eligible for the educational incentive at the associates level depending on years of service.

All special pay that was formally included in this section is now incorporated in the employee's hourly rate of pay as shown in Appendix A and as described in this contract under **ARTICLE 34 Specialty Pay**

ARTICLE 30- SCHEDULE

The Chief of Police has the authority to change the schedule to promote the effective and efficient use of Town Resources. Prior to instituting any schedule change, the Chief shall meet with Employee representatives to receive input on any proposed change. Prior to any change in schedule employees will be given at least sixty days notice.

ARTICLE 31 - EDUCATIONAL REIMBURSEMENT

The Town will annually reimburse an employee up to \$600.00 for the cost of tuition for a job-related college course or to pay towards a certified college student loan in a job related field. Any payment made by the Town towards a student loan must be in addition to and not in lieu of the regular payment made by the employee. Payments for student loans will only be recognized with

proper documentation as of 7/1/04. In order to receive reimbursement, the employee must have attained a grade of "C" or better. The Town may reimburse an employee for a second college course if there are sufficient funds available.

ARTICLE 32 - LATERAL ENTRY

Newly hired police officers who possess Maine Criminal Justice Academy certification or equivalent certification and other subsequent law enforcement experience may be placed on a pay level up to P-5 (start year 8) year pay level at the discretion of the Chief of Police commensurate with that individual's prior experience and competence. This shall be for the purpose of determining salary only and shall not be construed as to affect their level of seniority. After such initial placement, the individual shall progress on the salary schedule in accordance with its terms.

ARTICLE 33 – JOB SHARING

At the request of the Union the Town will work with the Union to explore the possibility of creating a job sharing arrangement among employees. Implementation of the arrangement will require the mutual agreement of the Town and the Union.
